

Editing Your Front Page Teacher Website

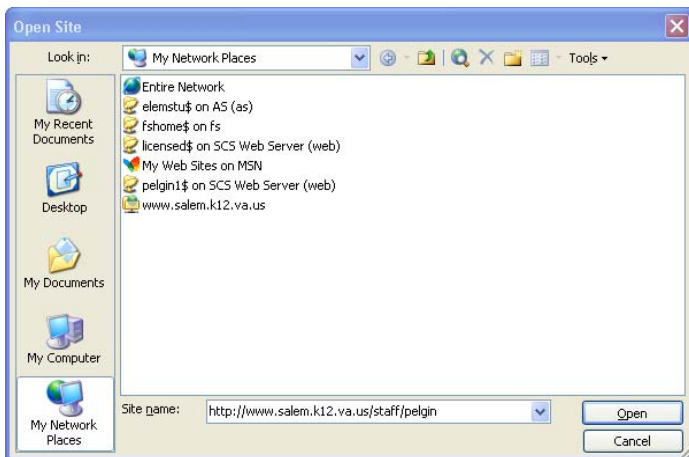

Start Front Page or Expression Web

(If you don't see the FP shortcut on your desktop, go to Start > Programs > Microsoft Office > Microsoft Office FrontPage 2003)

Click on **File > Open Site**

Click on **My Network Places**

Enter the full address of your site

<http://salem.k12.va.us/staff/yourusername>

Login to the network (make sure you add **salem.k12** before your username and that you use the back slash just above the Enter key)

Username: salem.k12\yourusername
Password: your network password
